

BSAC Open Water Instructor

I learnt to dive with Frogsborn in 2007 and continued to progress to Dive Leader. I also trained and qualified as an assistant instructor in 2009. It was quite a big step to become an instructor, but with the help and encouragement from Richard and everyone else at Frogsborn, I qualified in November 2010.

I really enjoy training sessions in the pool with students, and wreck diving in the seas around the UK.
